MEMORANDUM FOR: Deputy Director for Intelligence
SUBJECT : Legislative Liaison

1. Attached herewith is a copy of a letter, in reply to my congratulatory note, from Bryce Harlow, Assistant to the President-Elect for Legislative Affairs. The P.S. reads "Wonderful, Walter, to hear from you. After all, our peregrinations range back two decades and more!"

2. Prior to joining the White House staff in the Eisenhower Administration, Harlow was Chief Clerk of the House Armed Services Committee and handled CIA legislation and other matters. He has been adamantly opposed to a Joint Congressional Committee on Intelligence and takes the position that such a committee would be unconstitutional.

3. I wonder if the DCI would look with favor on my trying to arrange a meeting between Harlow and Jack Maury, either here or in New York. Larry Houston looks with favor on such a proposal and would be glad to sit in. This would seem useful to me before Harlow gets completely bogged down in day-to-day legislative affairs.
